## And What Have You

By BOB CRAIG

To say the least, Daylight Saving Time was not met with much enthusiasm here Monday morning. Most store owners probably needed a flashlight to unlock their doors for business.

Hopefully by next week both the business and school hours will be moved back a half hour so that school will run from 9 to 4 and most store hours would be from 8:30 to 5:30 or 6.

Most of the area further west of us has gone to a full hour change in their schedules but here a half hour would probably take care of us. It is still dark at 8:30 now but as the days get longer this should take care of itself.

Sure hope all of this mess helps save some energy someplace because I certainly can't tell how it is saving any here. Maybe it helps some on the eastern edges of the time zones and up north where the days are shorter.

But the biggest deterrent to this helping any is the fact that most of our buildings are designed where it takes the same lighting in the daytime as it does at night.

But then I guess this makes it look like we are doing something to help solve our energy crisis even if it is only window dressing.

Because the Fort Worth Star-Telegram has only limited circulation here in Hamlin there were not too many people who saw their Class AA All-State team selections. Hamlin placed two on the first team and one on the second team.

Making first team were Ray Scifres and Johnny Jones and Steve McKissack was named to the second unit. Jones was one of two juniors selected for this honor by the Star-Telegram.

It is probable that by the time you are reading this the Texas Sports-writers All-State selections will have been announced and it too is likely to include some Hamlin players.

While all the Pipers were All-State to us here in Hamlin it is still quite an honor to be selected and we congratulate each of these fine youngsters. When you consider that there are probably over 5,000 youngsters competing in Class AA football in Texas you can see that just being considered is a great honor, and to be selected is quite an achievement.

Our old friend James Roberts out at Andrews has come up with two recommendations for Congress for when it reconvenes this month that could go a long way to returning this country to some degree of normalcy.

One of his suggestions would be for Congress to simply do away with all price controls and let the market place rule . . . and the consumer would quickly reassert his power to choose, to regulate the price of goods. The consumer showed the nation his power in the beef situation and could do the same thing in the gasoline shortage. If it gets too high, he doesn't buy—and the price comes down. It worked in beef and it would work on gasoline.

His other suggestion would be that if Congress approves an additional tax incentive for the oil industry, that it makes the incentive applicable only to re-emphasized domestic exploration and production.

The economic foundation of this country has been built on the principle of supply and demand and it has kept us in good stead for most of our nearly 200 years of existence. It has, for the most part at least, been only when the government has interfered with this system that we have gotten in trouble.

solve our shortages, it would not return us to the old days of wasteful plenty. If and when the price of all our goods and services find their own

**ON ALL STATE SELECTIONS**—Four Hamlin players were named to the first and second team Class AA all-state football team by the Texas Sports Writers Association in their announcement made Monday. From left, Johnny Jones, 5-10 180-pound junior running back, and Ray Scifres, 6-3 240-

pound senior lineman, were named to first team offense. Steve McKissack, 6-1 205-pound senior offensive lineman, and David Willis, 6-4, 185-pound senior defensive back, were named to the second team. The Hamlin Pied Pipers were 1973 Bi-District Champs.

## Service Held Tuesday for D. L. Branscum

Daniel L. Branscum, 73, a retired carpenter, died at 10:40 p.m. Sunday at Hamlin Memorial Hospital. He had been in poor health with a heart condition for about four years and hospitalized six days.

Funeral was held at 2 p.m. Tuesday at Calvary Baptist Church. The Rev. Walter Hickman, pastor, the Rev. James Woods, pastor of Central Baptist Church in Aspermont, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated.

Mr. Branscum was born Dec. 22, 1900, in Fox, Ark., son of the late Mr. and Mrs. Thomas Branscum. He had lived in the Hamlin area for 66 years. He married Dena Parker in Jones County Feb. 5, 1922.

He was a member of Calvary Baptist Church.

Survivors include his wife of the home, 339 West Lake Drive, one son, Lloyd Neal Branscum of Houston; four daughters, Mrs. Eddis (Maxine) Carpenter of Plainview, Mrs. L. B. (Loveta) Bruner of Hamlin, Mrs. Wesley (Juanez) Groom Jr. of Abilene, Mrs. Gene (Patricia) Steele of Ft. Hood; a foster daughter, Mrs. J. W. (Gracie) Maberry of Hamlin, his wife's sister that they reared from infancy; four brothers, Sol of Hamlin, Bascom of Paducah, Bill of Stamford and James of Snyder; two sisters, Mrs. Charlie Scifres of Rule and Mrs. Barto Jamerson Estilline; 11 grandchildren and 2 great-grandchildren.

Burial was in Hamlin Memorial Cemetery under the direction of McCoy Funeral Home.

Pallbearers were J. C. Turner, Carl Bingham, Calvin Embrey, Archie Carson and G. W. Drummond.

## Announces for Re-Election

WASHINGTON, D.C.—Congressman Omar Burleson, who represents the 17th District of Texas in the United States House of Representatives, has announced for re-election. He has filed for a place on the ballot in the Democratic Primary Election on May 4, 1974.

Burleson was elected to the 80th Congress from the 17th District and has been re-elected to each succeeding Congress. He is a member of the Ways and Means Committee, considered to be the most powerful and prestigious in the House.

## New Rules Now in Effect For All Office Seekers

Several candidates have already filed for county office in Jones County and several more are expected to file before the filing deadline.

There are new laws governing the filing, campaigning, and reporting practices of all candidates of public office from the precinct level through state level.

The Campaign Reporting and Disclosure Act of 1973 is now in effect and makes a number of new requirements of candidates.

## Annual BCD Banquet Set Here Jan. 31

The Hamlin Board of Community Development has set the date for its annual banquet for Thursday, Jan. 31, according to Kenneth Hertel, president. The banquet will be held in the high school cafeteria at 7:30 p.m.

Speaker for the banquet will be Emil C. Rassman of Midland, president of the West Texas Chamber of Commerce. Rassman is a Midland attorney, civic and business leader. Besides being president of the WTCC, Rassman is also president of the Texas State Chamber of Commerce.

New officers will be installed at the banquet and Hamlin's Outstanding Man and Woman of the Year will also be announced.

Tickets for the banquet will be \$3.50 and are expected to go on sale this weekend.

## Debi Cary Named to All-Regional

Debi Cary was named seventh chair in the flute section at Region Band competition in Vernon Friday and Saturday. Twenty-four flute students tried out and 11 flutes and one piccolo were honored to the Region Band.

Try outs were held Friday at the high school and a concert was presented Saturday by the Region Band in Wilbarger Auditorium.

Debi was accompanied to Vernon by Band Director Tim Jones, Mrs. Jones and Patrice Moore.

## Dave Reves Is Candidate For Co. Judge

Dave Reves of Anson has authorized the Hamlin Herald to announce his candidacy for the office of Jones County Judge.

He will issue a formal statement later.

Junior Varsity teams will open the action at 6:30. Ballinger does not field a girls team. At Anson Tuesday, the JV's will start at 5 p.m.

Playing at Winters Tuesday evening Hamlin captured all three games with the Pipers winning, 45-32, the Piperettes downing Winters, 83-56, and the JV's winning, 44-36.

David Willis led the Pipers in a low scoring contest with 10 points.

All three forwards hit in double figures for the Piperettes as they set a season high of 83 points. Leigh Anne Vaughan was high with 32 points, followed by Alberta Cork with 31 and Kathy Hooper with 20.

Opening district play in Haskell last Thursday, the Piperettes defeated the Haskell girls, 62-56, with Alberta Cork leading the scoring with 25 points. She was followed by Kathy Hooper with 22 and Leigh Anne Vaughan with 15.

Playing here the next night, the Piperettes took their second district win by defeating Stamford, 52-39. Leigh Anne was high with 20, followed by Alberta with 18 and Kathy with 14.

The Pipers opened their district play here with Stamford on a winning note as they downed the Bulldogs, 63-43. The Pipers took a 19-12 first quarter lead and remained on top the rest of the way. Johnny Jones was top scorer for the Pipers with 15 points. Also hitting in double figures were David Willis and Willie Hooper with 12 each and George Titus with 11 points.

The Hamlin Junior Varsity defeated the Stamford JV's, 56-45, with Daniel Willis leading the scoring with 16 points.

## Junior High Boys Defeat Rotan Monday

Hamlin captured both junior high boys games at Rotan Monday evening, but the junior high girls were edged out by one point.

The three junior high teams will host Haskell here Monday with the seventh grade boys game starting the action at 5 p.m.

Mac Lee lead the scoring for the eighth grade boys with eight points as Hamlin defeated Rotan, 41-15.

Elizabeth Hooper put in 24 points for the local eighth grade girls in their 26-25 losing effort to Rotan.

The seventh grade boys defeated Rotan, 26-20, with Ronald Brown scoring 10 points.

**EDUCATIONAL FACILITY GOING UP**—Workmen are making good progress on the building of the First Baptist Church educational facility and have had no lost days because of bad weather. It is estimated that about four months will be needed for completion depending on availability of materials. The new structure is on the south side of the sanctuary site of a former parking lot.

## Walton, Ledgerwood Vows

### Read In Lubbock Saturday

Joye Ann Walton and Steven Harold Ledgerwood were married at 1:00 p.m. Saturday in the Ford Memorial Chapel of the First Baptist Church in Lubbock, Texas. Miss Walton is the daughter of Mr. and Mrs. John E. Walton of Lubbock, former Hamlin residents. Maj. and Mrs. Harold F. Ledgerwood of Miami, Fla., are parents of the bridegroom.

The Rev. J. T. Bolding, retired associate pastor of the First Baptist Church in Lubbock, officiated the double ring ceremony. Organ selections were presented by Patrice Black.

Given in marriage by her father, the bride wore a formal gown of ivory organza fashioned with a high Victorian neckline of ruffled val lace, long sheer bishop sleeves with a deep cuff and a ruffle of lace at the wrist. A sheer yolk accented the bodice edged with ruffled lace. A self ruffle formed the hemline of the softly gathered A-line skirt and four rows of lace formed a deep border on the skirt. The headpiece was a matching lace Juliet cap holding a chapel length train of illusion. She carried a bouquet of white sweetheart roses.

Maid of honor was Debbie Vick of Lubbock. Mrs. Stan Walton, sister-in-law of the bride, was matron of honor and Jill Walton, her niece of Granada Hills, Calif., was bridesmaid. They wore formal length gowns of candy pink satin with peasant style vests of burgundy velvet and carried burgundy velvet muffs.

Curtis Ledgerwood of Fairborn, Ohio, served his brother as best man. Groomsmen and ushers were Stan Walton, brother of the bride, and John McCollum, both of Lubbock.

Stephanie Walton, niece of the bride, was flower girl, and Stacy Walton, her nephew, was

## Shelburne, Teer Wedding Vows Exchanged Dec. 28

Janice Gay Shelburne and Michael Luke Teer were married Dec. 28 in the First Baptist Church in Snyder. The bride is the daughter of Mr. and Mrs. Lesley Bryan Shelburne of Snyder, former Hamlin residents. The bridegroom's parents are Mr. and Mrs. Henry Teer Sr. of Denver City.

The Rev. Ken Andress, pastor, and the Rev. Jim Bozeman of Temple Baptist Church in Hereford officiated.

The bride's twin sister, Mrs. Ricky Montgomery of Brownwood, was matron of honor. Bridesmaids were Carol Shelburne of Snyder, sister of the bride, Cela Turner of Quanah and Wanda Lou Raborn of Snyder.

The bride, presented in marriage by her father, wore a candlelight peau de soie gown with panels outlined in lace and full detachable train. A hat of lace held her short bouffant veil. She carried a colonial nosegay.

Attendants' gowns were shocking pink satin trimmed in lace.

Henry Teer Jr. of Irving, was best man for his brother. Groomsmen were Jim Shelburne of Snyder, brother of the bride, Morris Johnson of Abilene and Bobby Miller of Abernathy. Ushers were Jimmy Browning and Jim Shelburne of Snyder.

The reception followed in Fellowship Hall.

The bride is a graduate of Snyder High School and is attending Hardin-Simmons University in Abilene. The bridegroom is a graduate of South Plains Junior College and Hardin-Simmons University. He is employed by Dr. Pepper Bottling Co.

The bride is a granddaughter of Mrs. Tom Routh and niece of Mrs. Cecil Sellers.

## FROM THE FILES . . .

### FIFTY YEARS AGO (January 4, 1924)

The Herald is requested to announce that the East Side Cemetery Association will have the regular monthly meeting Sunday afternoon, at 3 p.m., in the Methodist Church. All interested are invited to come.

One of the first men to enter the Herald Office this week was E. T. McGee. Mr. McGee is in the race for nomination to the office of Public Weigher, of this, the 5th, Precinct of Jones County.

The Herald gave notice last week that all papers this week would have to bear the 1924 date or some higher year on the addresses. This was true, but with one exception; there have been so many to renew, putting their paper up for the entire year of 1924 that time prevents us from re-adjusting the mailing list this week. We appreciate very much the splendid subscription patronage that has been accorded the Herald the past few weeks and your kindness and support places us under renewed and greater obligation to you. In a week or so all prompt schedules will again be established and it is our desire to make the 1924 Hamlin Herald bigger and better than ever.

Street taxes can be paid through January for \$3.00. After Jan. 31, it will be five days or \$5.00. This ordinance will be rigidly enforced this year.

### TWENTY YEARS AGO (January 8, 1954)

Another park clean-up day sponsored by the Hamlin Business and Professional Women's Club will be staged next Thursday, Jan. 14, as part of the continuing drive to improve the Hamlin City Park. Volunteers are urged to go to the park with their tools and work at least a part of the day.

Continued stability and financial reserves of the Hamlin territory were reflected in the bank statement issued last weekend by the Farmers & Merchants National Bank of Hamlin. Deposits in the bank showed a gain of nearly a quarter of a million dollars over those of three months previous, and a slight increase over those of a year ago. The Hamlin Bank was one of 29 Central West Texas Banks showing gains in deposits over those of a year ago. Nineteen banks of the area showed losses for the new bank condition call.

Indications are that continued exploration in the region will be maintained during 1954, according to several operators contacted by a Herald representative. Two completions, five new drilling sites spotted and one amended location highlight oil developments for the week in the Hamlin section.

Several special song numbers by visiting singers are expected to be included on the program of the Jones

and Fisher County singing meet that convenes Sunday afternoon at the Hamlin Foursquare Church. The public is invited to attend.

### TEN YEARS AGO (January 9, 1964)

The Hamlin Lions Club voted Tuesday to sponsor a fund raising drive to build a Boy Scout Hut to be located on the Camp Fire Girl's lot. No definite cost estimates are available on the building as yet since the group does not know how much of the material and labor will be donated. The club is expecting to have to raise as much as \$2,000 for the building.

The annual Camp Fire Girls Chili Supper has been set for Saturday evening, Jan. 18. The yearly affair is sponsored as a fund raising project for the local Camp Fire Council. Tickets are now being sold at 75 cents per person and 25 cents for pre-school children.

Feb. 6, the Junior Class will present a three act comedy entitled "Deadly Ernest." The play is centered around the problems, laughs and mysteries of Henry Gilcrest, played by Jackie Townley.

The new year brought a new business firm to Hamlin as the Pump Service and Supply Company opened a store here on South Central. The firm is owned by two partners in Throckmorton who operate a store there and one of the partners, Horace Driver, will operate the store here.

—Continued from page one

level it is likely that the only shortage we will have is money.

The one guy that we really feel sorry for during this energy crunch is the neighborhood filling station operator. Boy, he has taken it from every direction.

While his business was not the most glamorous to begin with, it has become the whipping boy of government.

He has been caught in the price squeeze, he has been told to cut back his hours so he is not open on weekends, he sees his costs steadily going up but ends up making less and less as he handles more and more money for someone else.

On top of all of this he is now being asked to cut his sales back to 10 gallons or less.

If the service station business can survive all of this meddling by our government, it will amaze me.

## Neinda Philosopher Comes Out for Source Of Energy, Then Changes His Mind

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One explores the energy situation this week, more or less.

Dear editor:

While it used to be, say two years ago, the world's main problem was trying to find a new source of tax revenue, everybody knows the problem now is finding a new source of energy. The Arabs may be on top now but some day when their wells run dry they may see the return of the camel and aid from Washington to buy hay.

I contend that man is going to find a new source of energy, but I contend also he's going to get caught with the same flaw present sources have. Somebody will figure out how to run the rays

Some experts are talking about harnessing the energy of the tides, and as sure as it's accomplished some smart alec will figure out a way to run it through a meter.

## FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

### NEWS FROM . . .

## Sylvester

by Mrs. R. M. Babb

Beautiful, cool Monday morning beginning a new year and we hope for every one the best through this year. But, we must remember that we can help this to happen by the way we approach our coming events.

Woodrow Lawlis is in Hendrick Hospital in Abilene at this time for tests and x-rays. We surely hope every thing is fine. Kay Dobbs and children are

here from Big Spring to help her mother while her father is in the hospital.

Ross and Lenora Douglass drove to Llano and spent several days with his mother, then on to A & M for a Fish Farming meeting.

Milo and Pauline Gray spent Sunday afternoon in the Ernest Webb home in McCaulley.

Mrs. Thurman Douglass and Mrs. Albert Maberry enjoyed the singing at the Methodist Church in McCaulley Sunday night.

Clyde and Ronald Pursley are two of our "College Kids" that are returning to their different schools this week.

Things have really settled down so there isn't much news. See you next week.

### Bermudagrass May Cause Shakes—Agent

Livestockmen that have cattle grazing on Coastal bermuda grass should watch these animals closely for "shakes" or "staggers," cautions Kirby Clayton county agent for the Texas Agricultural Extension Service.

Recent cases have been reported in Robertson and Brazos Counties.

Symptoms of affected cattle include severe muscle tremors, incoordination, weaving or bobbing of the head, a wild-eyed expression and an inability to rise when down. Salivation and stiffness or weakness of hind legs may also be evident.

The agent warns that animals may die from drowning, dehydration or a direct effect of the toxic principle. The number of animals affected in a herd can vary from 10 to 100 per cent.

The condition is thought to be caused by a mold growing on dead bermudagrass and cattle eat some dead grass when trying to reach green grass, explains Clayton.

What can be done once animals are affected?

Clayton suggests handling them with care and driving them slowly off the bermudagrass onto green oats or clover or into a pen. The cattle should be fed all the hay they can eat plus a feed high in carbohydrates such as a low protein grain cube.

As a preventive measure, the agent points out that mowing the bermudagrass may help.

Accordingly, the court found him not guilty.

"Our law punishes only for acts done by responsible moral agents," explained the judge. "If the prisoner was unconscious when he killed the deceased, he cannot be punished for that act."

### THE FAMILY LAWYER

#### Confessing While Asleep

Situation comedies often depict a hapless husband, confessing—while sound asleep—to some sort of indiscretion. His wife, of course, is scandalized. But in real life, how reliable is such a statement? Would it stand up in court?

In a homicide case some years ago, a "sleeping confession" did indeed help to convict the defendant of murder.

The court said his statement, "though in sleep, was but the divulgence of truth springing from guilt which rested heavy on the soul, the half conscious revealing secrets which, if fully awake, he would fain have suppressed."

Modern courts, however, have generally refused to allow this kind of evidence. Thus, in a more recent murder case, incriminating exclamations by the defendant during sleep were held not admissible.

The court did not deny that his exclamations might be truthful. But it found other grounds for rejecting the evidence.

"Only the voluntary statements of the accused can be used against him," said the judge. "If the defendant was not conscious, the statement was not voluntary."

Not only sleeping words but also sleeping deeds are usually considered beyond the concern of the law. For example:

A weary hunter was dozing in a hotel lobby, his gun in his lap, when a hotel employee gave him a rough shake. Startled, the hunter grabbed his gun and fired

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

To say the least, Daylight Saving Time was not met with much enthusiasm here Monday morning. Most store owners probably needed a flashlight to unlock their doors for business.

Hopefully by next week both the business and school hours will be moved back a half hour so that school will run from 9 to 4 and most store hours would be from 8:30 to 5:30 or 6.

Most of the area further west of us has gone to a full hour change in their schedules but here a half hour would probably take care of us. It is still dark at 8:30 now but as the days get longer this should take care of itself.

Sure hope all of this mess helps save some energy someplace because I certainly can't tell how it is saving any here. Maybe it helps some on the eastern edges of the time zones and up north where the days are shorter.

But the biggest deterrent to this helping any is the fact that most of our buildings are designed where it takes the same lighting in the daytime as it does at night.

But then I guess this makes it look like we are doing something to help solve our energy crisis even if it is only window dressing.

Because the Fort Worth Star-Telegram has only limited circulation here in Hamlin there were not too many people who saw their Class AA All-State team selections. Hamlin placed two on the first team and one on the second team.

Making first team were Ray Scifres and Johnny Jones and Steve McKissack was named to the second unit. Jones was one of two juniors selected for this honor by the Star-Telegram.

It is probable that by the time you are reading this the Texas Sports-writers All-State selections will have been announced and it too is likely to include some Hamlin players.

While all the Pipers were All-State to us here in Hamlin it is still quite an honor to be selected and we congratulate each of these fine youngsters. When you consider that there are probably over 5,000 youngsters competing in Class AA football in Texas you can see that just being considered is a great honor, and to be selected is quite an achievement.

Our old friend James Roberts out at Andrews has come up with two recommendations for Congress for when it reconvenes this month that could go a long way to returning this country to some degree of normalcy.

One of his suggestions would be for Congress to simply do away with all price controls and let the market place rule . . . and the consumer would quickly reassert his power to choose, to regulate the price of goods. The consumer showed the nation his power in the beef situation and could do the same thing in the gasoline shortage. If it gets too high, he doesn't buy—and the price comes down. It worked in beef and it would work on gasoline.

His other suggestion would be that if Congress approves an additional tax incentive for the oil industry, that it makes the incentive applicable only to re-emphasized domestic exploration and production.

The economic foundation of this country has been built on the principle of supply and demand and it has kept us in good stead for most of our nearly 200 years of existence. It has, for the most part at least, been only when the government has interfered with this system that we have gotten in trouble.

solve our shortages, it would not return us to the old days of wasteful plenty. If and when the price of all our goods and services find their own

ON ALL STATE SELECTIONS—Four Hamlin players were named to the first and second team Class AA all-state football team by the Texas Sports Writers Association in their announcement made Monday. From left, Johnny Jones, 5-10 180-pound junior running back, and Ray Scifres, 6-3 240-

pound senior lineman, were named to first team offense. Steve McKissack, 6-1 205-pound senior offensive lineman, and David Willis, 6-4, 185-pound senior defensive back, were named to the second team. The Hamlin Pied Pipers were 1973 Bi-District Champs.

### Service Held Tuesday for D. L. Branscum

Daniel L. Branscum, 73, a retired carpenter, died at 10:40 p.m. Sunday at Hamlin Memorial Hospital. He had been in poor health with a heart condition for about four years and hospitalized six days.

Funeral was held at 2 p.m. Tuesday at Calvary Baptist Church. The Rev. Walter Hickman, pastor, the Rev. James Woods, pastor of Central Baptist Church in Aspermont, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated.

Mr. Branscum was born Dec. 22, 1900, in Fox, Ark., son of the late Mr. and Mrs. Thomas Branscum. He had lived in the Hamlin area for 66 years. He married Dena Parker in Jones County Feb. 5, 1922.

He was a member of Calvary Baptist Church.

Survivors include his wife of the home, 339 West Lake Drive, one son, Lloyd Neal Branscum of Houston; four daughters, Mrs. Eddis (Maxine) Carpenter of Plainview, Mrs. L. B. (Loveta) Bruner of Hamlin, Mrs. Wesley (Juanez) Groom Jr. of Abilene, Mrs. Gene (Patricia) Steele of Ft. Hood; a foster daughter, Mrs. J. W. (Gracie) Maberry of Hamlin, his wife's sister that they reared from infancy; four brothers, Sol of Hamlin, Bascom or Paducah, Bill of Stamford and James of Snyder; two sisters, Mrs. Charlie Scifres of Rule and Mrs. Barto Jamerson Estelline; 11 grandchildren and 2 great-grandchildren.

Burial was in Hamlin Memorial Cemetery under the direction of McCoy Funeral Home.

Pallbearers were J. C. Turner, Carl Bingham, Calvin Embrey, Archie Carson and G. W. Drummond.

### Announces for Re-Election

WASHINGTON, D.C.—Congressman Omar Burleson, who represents the 17th District of Texas in the United States House of Representatives, has announced for re-election. He has filed for a place on the ballot in the Democratic Primary Election on May 4, 1974.

Burleson was elected to the 80th Congress from the 17th District and has been re-elected to each succeeding Congress. He is a member of the Ways and Means Committee, considered to be the most powerful and prestigious in the House.

### New Rules Now In Effect For All Office Seekers

Several candidates have already filed for county office in Jones County and several more are expected to file before the filing deadline.

There are new laws governing the filing, campaigning, and reporting practices of all candidates of public office from the precinct level through state level.

The Campaign Reporting and Disclosure Act of 1973 is now in effect and makes a number of new requirements of candidates.

### Annual BCD Banquet Set Here Jan. 31

The Hamlin Board of Community Development has set the date for its annual banquet for Thursday, Jan. 31, according to Kenneth Hertel, president. The banquet will be held in the high school cafeteria at 7:30 p.m.

Speaker for the banquet will be Emil C. Rassman of Midland, president of the West Texas Chamber of Commerce. Rassman is a Midland attorney, civic and business leader. Besides being president of the WTCC, Rassman is also president of the Texas Chamber of Commerce.

New officers will be installed at the banquet and Hamlin's Outstanding Man and Woman of the Year will also be announced.

Tickets for the banquet will be \$3.50 and are expected to go on sale this weekend.

### Debi Cary Named to All-Regional

Debi Cary was named seventh chair in the flute section at Region Band competition in Vernon Friday and Saturday. Twenty-four flute students tried out and 11 flutes and one piccolo were honored to the Region Band.

Try outs were held Friday at the high school and a concert was presented Saturday by the Region Band in Wilbarger Auditorium.

Debi was accompanied to Vernon by Band Director Tim Jones, Mrs. Jones and Patrice Moore.

### Dave Reves Is Candidate For Co. Judge

Dave Reves of Anson has authorized the Hamlin Herald to announce his candidacy for the office of Jones County Judge.

He will issue a formal statement later.

Junior Varsity teams will open the action at 6:30. Ballinger does not field a girls team. At Anson Tuesday, the JV's will start at 5 p.m.

Playing at Winters Tuesday evening Hamlin captured all three games with the Pipers winning, 45-32, the Piperettes downing Winters, 83-56, and the JV's winning, 44-36.

David Willis led the Pipers in a low scoring contest with 10 points.

All three forwards hit in double figures for the Piperettes as they set a season high of 83 points. Leigh Anne Vaughan was high with 32 points, followed by Alberta Cork with 31 and Kathy Hooper with 20.

Opening district play in Haskell last Thursday, the Piperettes defeated the Haskell girls, 62-56, with Alberta Cork leading the scoring with 25 points. Leigh Anne Vaughan with 15.

Playing here the next night, the Piperettes took their second district win by defeating Stamford, 52-39. Leigh Anne was high with 20, followed by Alberta with 18 and Kathy with 14.

The Pipers opened their district play here with Stamford on a winning note as they downed the Bulldogs, 63-43. The Pipers took 19-12 first quarter lead and remained on top the rest of the way. Johnny Jones was top scorer for the Pipers with 15 points. Also hitting in double figures were David Willis and Willie Hooper with 12 each and George Titus with 11 points.

The Hamlin Junior Varsity defeated the Stamford JV's, 59-45, with Daniel Willis leading the scoring with 16 points.

### Junior High Boys Defeat Rotan Monday

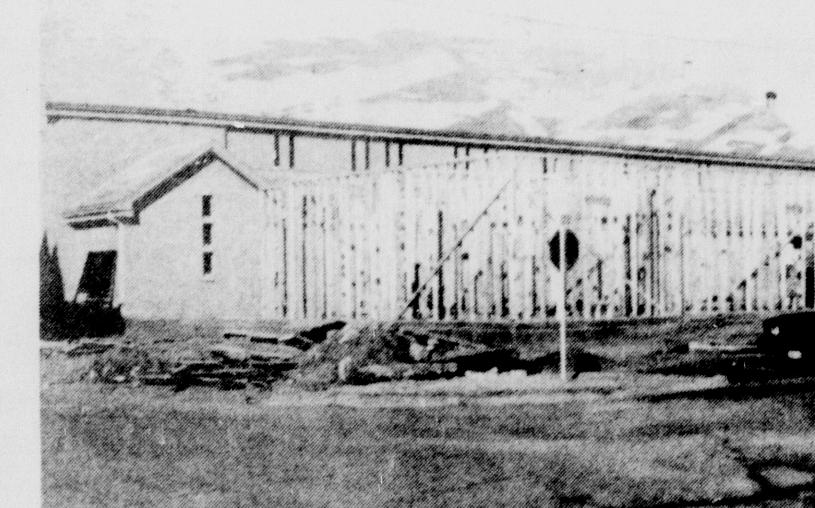

Hamlin captured both junior high boys games at Rotan Monday evening, but the junior high girls were edged out by one point.

The three junior high teams will host Haskell here Monday with the seventh grade boys game starting the action at 5 p.m.

Mac Lee lead the scoring for the eighth grade boys with eight points as Hamlin defeated Rotan, 41-15.

Elizabeth Hooper put in 24 points for the local eighth grade girls in their 26-25 losing effort to Rotan.

The seventh grade boys defeated Rotan, 26-20, with Ronald Brown scoring 10 points.

EDUCATIONAL FACILITY GOING UP—Workmen are making good progress on the building of the First Baptist Church educational facility and have had no lost days because of bad weather. It is estimated that about four months will be needed for completion depending on availability of materials. The new structure is on the south side of the sanctuary site of a former parking lot.

## Harendt, Brown Exchange Wedding Vows Thursday

LaVona Mae Harendt, daughter of Mr. and Mrs. Harvey Harendt of Paducah, formerly of Hamlin, and Gerald L. Brown, son of Mr. and Mrs. A. S. Brown, were married Thursday evening in the Hamlin Church of Christ.

Gene Johnston of Southside Church of Christ in Colorado City, former minister here, officiated.

Doris Lanell Harendt of Paducah, sister of the bride, was maid of honor. Best man was Donald Stanton Brown of Hamlin, brother of the bridegroom.

David Estes of Sylvester and W. R. Larance of Lubbock, cousin of the bride, were ushers.

Presented in marriage by her father, the bride wore a sheer organza gown over satin

trimmed with scalloped ribbon lace at the yoke, down the center front and at the wrists. The attached train extended from the back of the empire waist. She carried a bouquet of miniature orchids and feathered carnations.

The bridesmaid's gown of royal blue was an A-line with long sleeves. She carried a long stemmed white carnation.

The parents of the bride hosted the reception in Fellowship Hall.

The couple will reside in Hamlin after a wedding trip to Lake Whitney. He is engaged in farming.

The bride is a graduate of Hamlin High School and attended Lubbock Christian College. Brown is also a graduate of Hamlin High School.

Speaker for the program will be the Rev. Howard Jones, pastor of First Baptist Church. Special music will also be presented.

MRS. STEVEN HAROLD LEDGERWOOD  
...formerly Joye Ann Walton

## Walton, Ledgerwood Vows

### Read In Lubbock Saturday

Joye Ann Walton and Steven Harold Ledgerwood were married at 1:00 p.m. Saturday in the Ford Memorial Chapel of the First Baptist Church in Lubbock, Texas. Miss Walton is the daughter of Mr. and Mrs. John E. Walton of Lubbock, former Hamlin residents. Maj. and Mrs. Harold F. Ledgerwood of Miami, Fla., are parents of the bridegroom.

The Rev. J. T. Bolding, retired associate pastor of the First Baptist Church in Lubbock, officiated the double ring ceremony. Organ selections were presented by Patrice Blalack.

Given in marriage by her father, the bride wore a formal gown of ivory organza fashioned with a high Victorian neckline of ruffled val lace, long sheer bishop sleeves with a deep cuff and a ruffle of lace at the wrist. A sheer yolk accented the bodice edged with ruffled lace. A self ruffle formed the hemline

of the softly gathered A-line skirt and four rows of lace formed a deep border on the skirt. The headpiece was a matching lace Juliet cap holding a chapel length train of illusion. She carried a bouquet of white sweetheart roses.

Maid of honor was Debbie Vick of Lubbock. Mrs. Stan Walton, sister-in-law of the bride, was matron of honor and Jill Walton, her niece of Granada Hills, Calif., was bridesmaid. They wore formal length gowns of candy pink satin with peasant style vests of burgundy velvet and carried burgundy velvet muffs.

Curtis Ledgerwood of Fairborn, Ohio, served his brother as best man. Groomsmen and ushers were Stan Walton, brother of the bride, and John McCollum, both of Lubbock.

Stephanie Walton, niece of the bride, was flower girl, and Stacy Walton, her nephew, was

ring bearer.

The reception was held in the chapel parlor. Those from Hamlin assisting were Mrs. Ken Prewit and her daughter Katherine, cousins of the bride.

The bride is a 1969 graduate of Coronado High School in Lubbock and attended Texas Tech University. She is employed by Southwestern Bell Telephone Company.

The bridegroom is a 1968 graduate of Lincoln East High School in Lincoln, Nev., and attended South Plains College in Levelland. He is in the United States Air Force and is stationed at Udorn Air Force Base in Thailand.

The bridegroom's parents hosted the rehearsal dinner at the Village Inn Restaurant in Lubbock.

## FROM THE FILES . . .

### FIFTY YEARS AGO (January 4, 1924)

The Herald is requested to announce that the East Side Cemetery Association will have the regular monthly meeting Sunday afternoon, at 3 p.m., in the Methodist Church. All interested are invited to come.

One of the first men to enter the Herald office this week was E. T. McGee. Mr. McGee is in the race for nomination to the office of Public Weigher, of this, the 5th, Precinct of Jones County.

The Herald gave notice last week that all papers this week would have to bear the 1924 date or some higher year on the addresses. This was true, but with one exception; there have been so many to renew, putting their paper up for the entire year of 1924 that time prevents us from re-adjusting the mailing list this week. We appreciate very much the splendid subscription patronage that has been accorded the Herald the past few weeks and your kindness and support places us under renewed and greater obligation to you. In a week or so all prompt schedules will again be established and it is our desire to make the 1924 Hamlin Herald bigger and better than ever.

Street taxes can be paid through January for \$3.00. After Jan. 31, it will be five days or \$5.00. This ordinance will be rigidly enforced this year.

### TWENTY YEARS AGO (January 8, 1954)

Another park clean-up day sponsored by the Hamlin Business and Professional Women's Club will be staged next Thursday, Jan. 14, as part of the continuing drive to improve the Hamlin City Park. Volunteers are urged to go to the park with their tools and work at least a part of the day.

Continued stability and financial reserves of the Hamlin territory were reflected in the bank statement issued last weekend by the Farmers & Merchants National Bank of Hamlin. Deposits in the bank showed a gain of nearly a quarter of a million dollars over those of three months previous, and a slight increase over those of a year ago. The Hamlin Bank was one of 29 Central West Texas Banks showing gains in deposits over those of a year ago. Nineteen banks of the area showed losses for the new bank condition call.

Indications are that continued exploration in the region will be maintained during 1954, according to several operators contacted by a Herald representative. Two completions, five new drilling sites spotted and one amended location highlight oil developments for the week in the Hamlin section.

Several special song numbers by visiting singers are expected to be included on the program of the Jones

and Fisher County singing meet that convenes Sunday afternoon at the Hamlin Foursquare Church. The public is invited to attend.

### TEN YEARS AGO (January 9, 1964)

The Hamlin Lions Club voted Tuesday to sponsor a fund raising drive to build a Boy Scout Hut to be located on the Camp Fire Girl's lot. No definite cost estimates are available on the building as yet since the group does not know how much of the material and labor will be donated. The club is expecting to have to raise as much as \$2,000 for the building.

The annual Camp Fire Girls Chili Supper has been set for Saturday evening, Jan. 18. The yearly affair is sponsored as a fund raising project for the local Camp Fire Council. Tickets are now being sold at 75 cents per person and 25 cents for pre-school children.

Feb. 6, the Junior Class will present a three act comedy entitled "Deadly Ernest." The play is centered around the problems, laughs and mysteries of Henry Gilcrest, played by Jackie Townley.

The new year brought a new business firm to Hamlin as the Pump Service and Supply Company opened a store here on South Central. The firm is owned by two partners in Throckmorton who operate a store there and one of the partners, Horace Driver, will operate the store here.

### And What Have You

—Continued from page one

level it is likely that the only shortage we will have is money.

The one guy that we really feel sorry for during this energy crunch is the neighborhood filling station operator. Boy, he has taken it from every direction.

While his business was not the most glamorous to begin with, it has become the whipping boy of government.

He has been caught in the price squeeze, he has been told to cut back his hours so he is not open on weekends, he sees his costs steadily going up but ends up making less and less as he handles more and more money for someone else.

On top of all of this he is now being asked to cut his sales back to 10 gallons or less.

If the service station business can survive all of this meddling by our government, it will amaze me.

## Neinda Philosopher Comes Out for Source

## Of Energy, Then Changes His Mind

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One explores the energy situation this week, more or less.

Dear editor:

While it used to be, say two years ago, the world's main problem was trying to find a new source of tax revenue, everybody knows the problem now is finding a new source of energy. The Arabs may be on top now but some day when their wells run dry they may see the return of the camel and aid from Washington to buy hay.

I contend that man is going to find a new source of energy, but I contend also he's going to get caught with the same flaw present sources have. Somebody will figure out how to meter it.

Some experts are talking about harnessing the energy of the tides, and as sure as it's accomplished some smart alec will figure out a way to run it through a meter.

Take electricity. Nobody knows for sure exactly what it is, you can't see it except when it shorts out, it travels down a

## FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# 6 WAYS TO CONSERVE AND SAVE ON WINTER HEATING

1. For savings on energy, set the thermostat on the temperature setting that provides adequate comfort (the President suggests 68°). Don't continually switch it up and down. Remember, the lower you set the thermostat in the winter the more money you save on energy.
2. A routine service inspection by a qualified service man is advisable prior to the heating season. Follow the manufacturers recommendations on this. Clean filters keep the heating unit operating at maximum efficiency and economy. Filters are the most neglected part of any forced-air heating system.
3. A wood burning fireplace should be equipped with an efficient damper. Be sure to keep the damper closed when not in use. A chimney with the damper open carries warm air out the house, wasting heat.
4. To decrease heat loss and reduce energy cost in rooms that are not in use at night or in extremely cold weather, draw the draperies and lower the shades over the windows, glass panels and doors. If the sun is shining on glass areas, open the draperies. The sun shining through the glass will supply additional heat at no cost.
5. Some wall heaters have fan-forced circulation. To clean, turn the unit "OFF". Blow dust out of unit with vacuum exhaust attachment. Clean the grill cover with a vacuum or warm detergent water.
6. Proper insulation and weather stripping will make your home more comfortable. It will help keep dust and dirt from blowing in, and will help to eliminate cold drafts in the winter time, thus saving money on your heating bill.

Plainview, Texas

AUSTIN, Tex. — Legislative leaders expressed optimism for success of the state Constitution Convention which opened at noon Tuesday (Jan. 8).

Planning committees have worked out a fast-paced 81-day schedule which may, or may not, hold up.

Optimists see at least a 50-50 chance of success, noting that of 12 constitutions offered voters in other states during the last 12 years, half were rejected, frequently on a single issue.

House Speaker Price Daniel Jr., projected presiding officer of the historic convention, the first since 1875, hopes to have committee hearings started by January 16.

Preliminary briefings by corresponding committees of the 37-member Constitutional Revision Commission will precede the committee hearings.

Daniel claims the convention, composed of 181 legislators, will be successful because delegates have a down-to-business attitude and are the best prepared group (thanks to work of the Revision Commission) ever to undertake such a task.

Such controversial issues as right-to-work inclusion in the constitution, legislative pay raises and appointive appellate judges, under Daniel's plan, would be submitted to voters as separate issues. That procedure, the speaker maintains, would prevent jeopardizing a largely-non-controversial document because of a handful of hot potatoes.

Eight substantive committees and five procedural committees are proposed to handle the initial hearings and study starting next week.

**POLITICAL SEASON ON** — Major candidates are getting in place for the 1974 primary races.

Attorney General John Hill announced for a second term. Agriculture Commissioner John White announced for a third.

Gov. Dolph Briscoe revealed his plans (back in late October) to seek a second term.

Lt. Gov. Bill Hobby will be doing the same. Others already on the starting blocks include Railroad Commissioners Jim Langdon and Mack Wallace, Land Commissioner Bob Armstrong and Treasurer Jesse James (although some haven't announced formally).

Comptroller Robert Calvert remains a question mark. Whether or not he retires, former Secretary of State Bob Bullock is running for his office, and State Sen. Jim Wallace of Houston is a probable.

Republicans have fielded in the governor's race Henry Grover, Jim Cranberry, State Rep. Ray Hutchison and Odell McBrayer.

The state's authority to prohibit public use of the term "engineering" by unlicensed persons or firms was

**SPEED LIMIT CHANGE DUE** — With President Nixon's signature of the nationwide 55 miles per hour speed limit law, Texas has no choice but to follow suit.

The State Highway Commission, under a new law passed in special session last month giving it authority to establish new speed limits to meet emergencies, scheduled a January 8 public hearing.

Result of the hearing was clear in advance: the limit will be lowered to 55 mph — probably enforceable by late Jan.

NEWS FROM . . .

## Sylvester

by Mrs. R. M. Babb

Beautiful, cool Monday morning beginning a new year and we hope for every one the best through this year. But, we must remember that we can help this to happen by the way we approach our coming events.

Woodrow Lawlis is in Hendrick Hospital in Abilene at this time for tests and x-rays. We surely hope every thing is fine. Kay Dobbs and children are

here from Big Spring to help her mother while her father is in the hospital.

Ross and Lenora Douglass drove to Llano and spent several days with his mother, then on to A & M for a Fish Farming meeting.

Milo and Pauline Gray spent Sunday afternoon in the Ernest Webb home in McCaulley.

Mrs. Thurman Douglass and Mrs. Albert Maberry enjoyed the singing at the Methodist Church in McCaulley Sunday night.

Clyde and Ronald Pursley are two of our "College Kids" that are returning to their different schools this week.

Things have really settled down so there isn't much news. See you next week.

### Bermudagrass May Cause Shakes—Agent

Livestockmen that have cattle grazing on Coastal bermuda grass should watch these animals closely for "shakes" or "staggers," cautions Kirby Clayton county agent for the Texas Agricultural Extension Service.

Recent cases have been reported in Robertson and Brazos Counties.

Symptoms of affected cattle include severe muscle tremors, incoordination, weaving or bobbing of the head, a wild-eyed expression and an inability to rise when down. Salivation and stiffness or weakness of hind legs may also be evident.

The agent warns that animals may die from drowning, dehydration or a direct effect of the toxic principle. The number of animals affected in a herd can vary from 10 to 100 per cent.

The condition is thought to be caused by a mold growing on dead bermudagrass and cattle eat some dead grass when trying to reach green grass, explains Clayton.

What can be done once animals are affected?

Clayton suggests handling them with care and driving them slowly off the bermudagrass onto green oats or clover or into a pen. The cattle should be fed all the hay they can eat plus a feed high in carbohydrates such as a low protein grain cube.

As a preventive measure, the agent points out that mowing the bermudagrass may help.

Charged afterward with manslaughter, he was able to convince the court that he had still been asleep at the moment he pulled the trigger.

Accordingly, the court found him not guilty.

Confessing  
While Asleep

Situation comedies often depict a hapless husband, confessing—while sound asleep—to some sort of indiscretion. His wife, of course, is scandalized. But in real life, how reliable is such a statement? Would it stand up in court?

In a homicide case some years ago, a "sleeping confession" did indeed help to convict the defendant of murder.

The court said his statement, "though in sleep, was but the divulgence of truth springing from guilt which rested heavy on the soul, the half conscious man revealing secrets which, if fully awake, he would fain have suppressed."

Modern courts, however, have generally refused to allow this kind of evidence. Thus, in a more recent murder case, incriminating exclamations by the defendant during sleep were held not admissible.

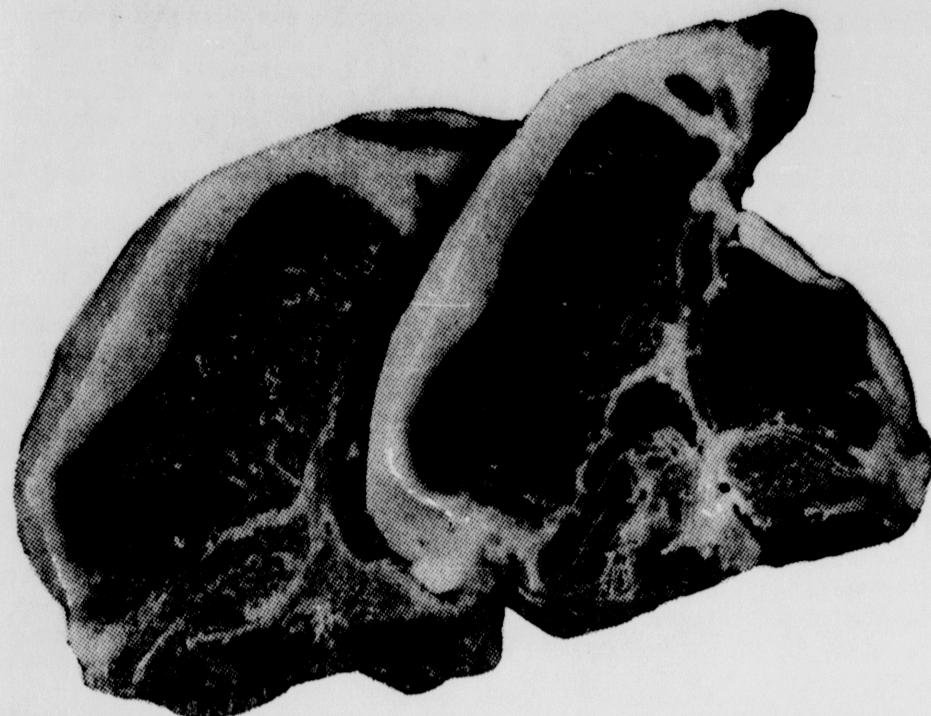

The court did not deny that his exclamations might be truthful. But it found other grounds for rejecting the evidence. "Only the voluntary statements of the accused can be used against him," said the judge. "If the defendant was not conscious, the statement was not voluntary."

Not only sleeping words but also sleeping deeds are usually considered beyond the concern of the law. For example: A weary hunter was dozing in a hotel lobby, his gun in his lap, when a hotel employee gave him a rough shake. Startled, the hunter grabbed his gun and fired

at the employee.

Modern courts, however, have generally refused to allow this kind of evidence. Thus, in a more recent murder case, incriminating exclamations by the defendant during sleep were held not admissible.

The court did not deny that his exclamations might be truthful. But it found other grounds for rejecting the evidence. "Only the voluntary statements of the accused can be used against him," said the judge. "If the defendant was not conscious, the statement was not voluntary."
